Say Hello to your new card!

Exciting News! Unison Credit Union is making upgrades to our current Visa® credit card program. With this update comes a **NEW Platinum and Platinum Rewards Contactless Visa® Card**. As part of this transition, you will see some upgrades and changes to your current Platinum and Platinum Rewards cards.

- ✓ **New Look.** Our new cards will feature a vertical design (as seen above) with the credit card number, expiration date, and Card Verification Value (CVV) numbers on the back for a new sleek design.
- ✓ **Contactless credit card.** You will now have the option to hover or tap your card vs. swipe at merchants who offer this type of card terminal.
- ✓ **Same credit card number.** Most cards will be issued with the same account number, but with an updated expiration date and Card Verification Value (CVV) number. This information will need to be updated wherever you have your card information saved.
- ✓ **Same credit card limit.** There will be no updates or changes to your current credit card limit.
- ✓ **Same great low rates.**
- ✓ **New Rewards Program.** We will be launching a new rewards program for our rewards card holders that will go live on 12/11/23.

Effective 11/30/2023 - our current reward points program will end. You will have until 1/31/24 to redeem your rewards points. After that date your current reward points will expire and will not transfer over to the new program.

Thank you,

Mark Hietpas
President/CEO, Unison Credit Union
